GETTING STARTED

Make sure the POWER switch is in the OFF position.

Insert the LITTLE NICKY Game Pak into the slot on the back of the Nintendo GAME BOY COLOR body, with the label facing AWAY from play side.

Slide the POWER switch to the ON position to turn on the power.

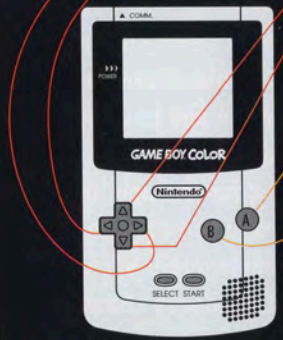

Follow gameplay instructions starting on page 7.

THE STORY

Nicky is the youngest son of Satan.
His brothers, Adrian and Cassius, are much stronger and more evil than he is, and they both hope to be chosen as the next Devil.
But then Satan announces that he is not stepping down because he doesn't feel that any of his sons are capable of keeping the balance between good and evil. This makes Adrian and Cassius furious and leave Hell to try and take over Earth. Their departure breaks the firefall that brings damned souls to Hell, and as a consequence, the Devil begins to deteriorate. It's up to Nicky to follow his brothers to Earth, trap them in a soul-catching flask, and bring them together back to Hell.
And with the Devil slowly falling apart, he doesn't have much time!
